The contract was cancelled by the circle Superintending Engineer vide No 4393 dated 18 9 43 Fresh quotations were called for ~~on 26-10-43~~ and of the quotations received Mr R Narasimhachar is the lowest. Although the contractor has submitted an application for enhanced rates, the Ex Engr has rejected the application but proposes the rate for the R C C roofing work which was delayed on

5) When the Exe Engr has explained the need to revise the estimate from Rs 4,5 to Rs 4,885/-, the Mn. Council placed this subject in their meeting held on 30-6-47 and resolved that this excess amount of Rs 339/- may be credited to the P.W.D, meeting the expenditure, Rs 100/- from the provision made under Public Works for 46-47 and the remaining Rs 229/- from the closing balance

6) The President has reported that this excess amount has been credited to the 17(a) P.W.D in anticipation of sanction, as the matter is urgent and as the municipal council are put to much inconvenience for want of a proper building.

7) Since the excess amount of Rs 339/- has been credited only in the current year, the entire amount has to be met from the closing balance

With reference to the above, I have the honour to state that an estimate for Rs 4,356/- for the above work, was received sanctioned in G O No L 6642-4/Ml.10-2-42-68 dated 6-1-1943 Further extra contribution of Rs 190/- for additional works was also sanctioned in G O No 11189-91/Ml 99-43-146 dated 8-5-1944 The building which was completed upto basement level by the tendered contractor, Mr K N Narasimhachar at 20 per cent over the sanctioned rates had given up work due to abnormal price for materials and labour The contract was cancelled in Mysore - circle Superintending Engineer's No 4393 dated 18-9-1943 Fresh quotations were called for on 26-10-1943 As the quotations which were received without earnest money were not accepted fresh quotations were again called for 3 quatations were received out of which Mr R Narasimhachar's quotation at estimated rates is the lowest This contractor who has quoted at estimated rates on 24-2-45, has now submitted his application for enhancement of rates But this question cannot be considered for payment to the full rates for 1946-47 schedule I propose the rate for R C C roofing work which was delayed on account of cement and steel is the schedule rate of 1946-47 and the rest at estimated rates

The excess on this account will be Rs 339/- over the total contribution amount of Rs 4,546/-

I request your kind approval for meeting the excess amount from the Municipal funds I am making arrangements to push through the work for completion Very early reply in the matter is requested for taking further action
